HARDWOOD FLOORING, DESIGNED FOR LIVING

by Atkinson & Kirby

WELCOME

To the new "CONCEPT" in Hardwood Flooring.

"CONCEPT" combines the very best of British craftsmanship and contemporary design. Every "CONCEPT" floor is produced by skilled craftsmen in our Lancashire based factory, using a combination of over 100 years of manufacturing experience and only the finest quality European and American White Oak.

Each floor is produced individually, ensuring it is as unique as you are.

Effortlessly stylish

GOLDEN DREAM

Pure simplicity, Golden Dream offers the neutral clean look of classic White Oak. Its natural tones compliment any space.

 1 part Cointreau® : dash of Galliano : dash of Cream : 2 parts Orange juice : 1 Orange slice : 1 Maraschino Cherry
Shake all the ingredients with cracked ice. Strain and pour into a highball glass.

CONCEPT

Luxury under foot

BRANDY MANHATTAN

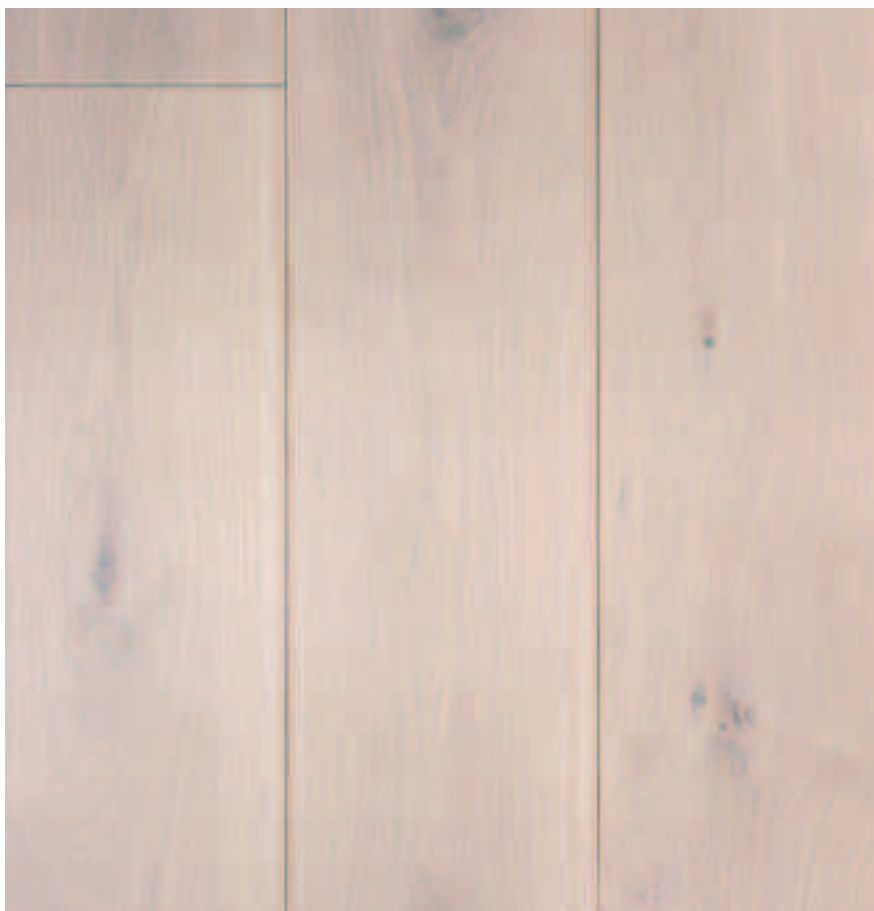

Be enticed by the luxuriant shades of Brandy Manhattan. Unwind and let its warmth enfold you.

 3 parts Brandy : 1 part Martini rosso (sweet) : 5 Ice cubes : 1 Maraschino Cherry
Pour the vermouth and brandy over the ice and stir vigorously. Pour into a chilled glass and add the cherry.

CONCEPT

Inspiring

WHITE RUSSIAN

The unique, clean and uncluttered style of White Russian is ideal for those wanting a fresh minimalist look whilst retaining the luxury of a wooden floor.

 2 oz. Vodka : 2 oz. Kahlua : 2 oz. Cream
Shake, strain into highball glass.

CONCEPT

Visually breathtaking

SEA BREEZE

With a hint of grey, Sea Breeze conjures up thoughts and feelings reminiscent of a warm hazy summer's afternoon with a gentle wind blowing off the water. Settle down and simply relax in its serenity.

 2 parts Vodka : 3 parts Cranberry and Grapefruit juices : 1 Lime wedge : 1 part Ice cubes : 5 Ice (crushed)
Pour the vodka, cranberry and grapefruit juices into a tall glass with the ice. Stir. Decorate with lime wedge.

GENERAL MAINTENANCE

For more detailed maintenance guidelines please see individual packs.

- Clean your floor regularly.
- Immediately wipe up any spilt liquids.
- Use protective pads under all furniture legs.
- Put barrier mats at all external doorways, to protect the floor from grit.
- Ensure the room is kept at an ambient temperature of 18-20°C.
- Stiletto heels and pets claws will damage the floor.

Your CONCEPT floor will be supplied with a Woodcare Denmark A/S (formerly Trip Trap) Maintenance Kit for natural oiled floors. The kit contains Soap, Wood Cleaner and Maintenance Oil.

- *Regular / Routine Maintenance:* Soap mixed with lukewarm water.
- *Removing Ingrained Dirt:* Wood Cleaner mixed with lukewarm water.
- *Rejuvenating Oiled Floors (Annual cleaning depending on foot traffic)* Maintenance Oil buffed into the floor, using a buffing machine and a beige or white pad.

Please consult specific maintenance guidelines in individual packs. Specialist maintenance guidelines are also available through your CONCEPT supplier.
